Dunston St. Peter's Church of England Primary School Information About The School

Dunston St Peter's Church of England Primary School is set on the edge of the idyllic village of Dunston and adjoins open countryside. At present there are 97 children on roll in four classes. We cater for children from the ages of 4 to 11.

Dunston was inspected by Ofsted in January 2017 and was graded as "Good" overall. You will find the report on the website.

Dunston Primary is very proud to be a church school. Our three Christian values of Respect, Honesty and Friendship underpin everything that we do. We have very close links with Dunston St. Peter's Church. In July 2017 we had a Church Schools (Section 48) inspection and we were graded as "outstanding" in all areas. You will find the report on the website.

The school has a well-stocked library and a school hall. There are interactive panels and computers in each classroom. ICT is mainly taught using the i-pads that the school has invested in. Outside there is a good-sized playground, a sports field, a newly refurbished foundation stage outdoor play area, a trim trail and a gardening area.

Dunston has both a Breakfast Club each morning and After-School Childcare for 3 hours each evening. They are both thriving.

Dunston and Digby Primary School have worked closely together as a successful collaboration of two similar primary schools since the Summer Term 2009, sharing the same Headteacher. In September 2013 the two schools formally federated, with one governing body over the two schools, retaining the same Executive Headteacher.

In September 2015 Nocton School fully collaborated with the existing federation, again sharing the same Executive Headteacher and in September 2016 this became permanent under the name Spire Federation. The Spire Federation is wonderful for all of the schools as it opens up a wealth of learning opportunities for the children beyond what each school would be able to offer as one small, rural school. The staff and children in all three schools work closely together, sharing expertise and resources, ideas, events, visits and workshops.

Mr Boyall is the Executive Headteacher over the schools and he shares his time between them. This enables him to focus on developing the schools further in terms of leadership and management. Each school has a Deputy Headteacher who leads the school when Mr Boyall is off-site. At Dunston the Deputy Headteacher is Mrs Hume.
