Nocton Community Primary School Information About The School

Nocton Community Primary School is set on the edge of the idyllic village of Nocton. At present there are 58 children on roll in three classes. We cater for children from the ages of 4 to 11.

Nocton was inspected by Ofsted in October 2014 and was graded as “Good” in all areas.

The school has three classrooms with interactive panels and computers in each classroom. Outside there is a good-sized playground which has a climbing wall, a sports field, a foundation stage outdoor play area, a trim trail and a gardening area.

Nocton has both a Breakfast Club each morning and After-School Childcare for 3 hours each evening.

In September 2016 Nocton School joined Digby and Dunston Schools in a federation. This is called the Spires Federation. The Spires Federation is wonderful for all of the schools as it opens up a wealth of learning opportunities for the children beyond what

each school would be able to offer as one small, rural school. The staff and children in all three schools work closely together, sharing expertise and resources, ideas, events, visits and workshops.

Mr Boyall is the Executive Headteacher over the schools and he shares his time between them. This enables him to focus on developing the schools further in terms of leadership and management. Each school has a Deputy Headteacher who leads the school when Mr Boyall is off-site. Mrs Wetherall is currently the acting Deputy Headteacher at Nocton.
